11:20-12:30: *TA-practices* by Robby Berloznik, Frans Brom, Michiel Van Oudheusden, Michael Decker, Sergio Bellucci, Pierre Delvenne, and Lars klüver respectively. Short discussion

12:30-13:30: **Lunch**

13:30-16:00: *Discussions*. Guiding questions are

- Which experiences are common to different TA-groups?
- Which common interests do TA-groups share?
- And, in case we do share common interests, which common actions and initiatives can we take?
- How can different TA perspectives inspire each other?
- In which ways can we strengthen our own and each other's TA-endeavours?
-

16:00-17:00: **Reception**
